SUMMER RAFFLE

Welcome to Cycling UK's 2022 raffle.
Enter now at cyclinguk.org/raffle

If every member
bought or sold £15
worth of tickets, this
would raise over
£1million!

Celebrate cycling and win big with our Summer Raffle. Buy a ticket for just £1 and you could be cruising through the summer on a new Raleigh e-bike, using top-grade tech with a Garmin Edge and Varia taillight bundle, or winning cash to put towards your next cycling adventure.

Every ticket sold goes towards making the world better by bike. Last year's raffle helped fund some fantastic campaigning successes in the 12 months that followed. We won our fight to improve the Highway Code. We won the Cyclists' Defence Fund's legal battle against West Sussex County Council, showing councils there are repercussions for ignoring government guidance on unlawfully removing cycling lanes. Then we marched alongside millions at the COP26 Summit to highlight that active travel must be part of the solution to the climate crisis.

As you know, there is still so much more work to be done in terms of campaigning for cyclist's rights, improving cycling infrastructure, opening up more of the countryside, and getting millions more people to discover the joy of cycling. With your

continued support, just think what we could achieve this time next year?

Buy your tickets today. You'll support our vital work and you could win something incredible from top brands in the cycling industry. Encourage your cycling friends and family to join in the fun. Together we can make the world better by bike.
